## Professional Summary

Front-end Developer with 4 years of experience, specialized in React.js using both JavaScript and TypeScript. Currently working as a consultant at OSF Digital, having contributed to major projects for companies such as Porto Seguro and Hyatt Hotels Corporation, focusing on internal enterprise systems. Strong expertise in modern front-end tools, solid understanding of back-end technologies (Node.js, Java Spring Boot), and fluent English communication developed through daily collaboration with international teams at Hyatt.

## Technical Skills

Front-end: React.js, JavaScript, TypeScript, AngularJS, jQuery

Styling: SCSS, Styled Components, TailwindCSS

Forms & Validation: React Hook Form, Zod

Back-end (basic): Node.js, Java (Spring Boot)

Tools & Others: Git, REST APIs, Figma, Scrum, Jira

Languages: Portuguese (native), English (fluent in professional environments)

## Professional Experience

### OSF Digital

Client: Hyatt Hotels Corporation (Remote) | Front-end Developer

October 2021 - Present

- Developed internal systems for global Hyatt teams.

- Worked extensively with React.js, Styled Components, React Hook Form, and AngularJS.

- Participated in meetings with international stakeholders (in English).

- Integrated REST APIs and collaborated closely with back-end teams.

### OSF Digital

Client: Porto Seguro (Remote) | Front-end Developer

February 2021 - September 2021

- Developed and maintained internal systems for one of Brazil's largest insurance companies.

- Used proprietary client technologies and jQuery.

- Worked in an agile environment focused on frequent deliveries and code reviews.

## Education

Bachelor of Technology in Systems Analysis and Development

UNIASSELVI - Ocara, CE

Expected Graduation: 2025

## Objective

Front-end Developer seeking opportunities in innovative and remote-first companies, contributing with technical expertise and strong communication skills to deliver efficient, user-focused solutions. Passionate about building high-quality digital experiences that make a positive impact.
